Healthy competitions are essential for personal growth and development. They motivate individuals to strive for excellence, push beyond their limits, and achieve their goals. In a healthy competition, participants focus on improving themselves rather than defeating

others. This mindset fosters teamwork, mutual respect, and sportsmanship. Winning or losing becomes secondary, and the real victory lies in the journey, not the destination. Healthy competitions build resilience, confidence, and perseverance, helping individuals overcome obstacles and reach their full potential. They also promote fair play, honesty, and integrity, essential values for success in life.

1. **What is the primary purpose of healthy competitions?**
2. **How do healthy competitions affect participants' mind set?**
3. **What is the real victory in a healthy competition, according to the passage?**
4. **What are the benefits of participating in healthy competitions?**
5. **What values do healthy competitions promote?**

**IX. Observe the picture and write a passage: What values this picture speaks off?:** **1x4=4**
